Please initial next to each acknowledging that you have read and agree to comply with these statements.

For interior subdivision lots, pool shall be constructed no closer than ten (10) feet of any rear or side property line, and shall be completely fenced from the ground to a height of at least four (4) feet before the pool is filled with water, UNLESS the pool is enclosed within a permanent, completely walled structure.

For corner lots, no pool or surrounding fence shall be located any closer to either street right-of-way than the building line (setback) established for the zoning district.

I understand that I am responsible for the removal of ALL debris related to this project.

I certify that I have read this document and state that the information provided is correct. I agree to comply with all local ordinances and state laws dealing with building construction, and hereby authorize representatives of the City of Headland to enter the above-mentioned property for inspection purposes.
